COURSE – The routes of all races are very scenic and challenging. Please study the course map and “MV Ultra Course Guide” to get a feel for the course. It is important that you know the routes prior to the race and develop your energy and hydration plan.

There will be medical support throughout and music along the course to keep you motivated.

AID STATIONS – There are well-stocked aid stations throughout the course, providing hydration, medical support and a variety of nutrition. Stations will include an assortment of the following: Honey Stinger energy gels and chews, Tailwind Nutrition, salty snacks, fresh fruit and sweet snacks. The 50K and 50-miler will include stews, sandwiches, quesadillas, and other hearty fare. We will have major medical support at Three Sisters Aid Station and the Start/Finish area, along with first responders on the course at Mitchell Mesa, the Arches Loop, Valley Drive and Wildcat Trail.

TOILETS & TRASH – There will be portajohns spread throughout the course, including Three Sisters Aid Station, the Hub viewpoint, near Sand Springs and North Window. Please use common backcountry etiquette if using the restroom elsewhere: dig a cat-hole for the waste and pack out used toilet paper. There will be trash bags at each aid station for small items.

***This is a cup-less event so please plan to have a hand-held bottle or hydration pack for use throughout the day.***

DROP BAGS – Drop bags are available for the 50K and 50Mile race, at the Three Sisters Aid Station. Drop bags must be left in the drop location near the start line before the start of the

Crews may also access their runners along the Valley Drive and at Stables Aid Station.
