The course heads up on the Museum Trail to the WR Dam and on to the Fish & Wildlife trail system, dropping into the historic tribal government complex and then back to the WR Park. From the Park, the route heads back toward the Museum. The course is subject to slight variation at the discretion of race and tribal officials.

AID STATIONS – There will be three aid stations on each loop, located at the NN Museum parking area, in the backcountry route near the Dam and at Window Rock Veteran's Tribal Park.
